Leak Detection

For all pools, spas and fountains.
We use the most advanced leak detection technology.

Water Bills

We are no longer responsible for water

UltraTemp® High Performance Heat

Eco-friendly, energy-efficient heating option. Transfer heat from the atmosphere to the pool or spa. Save up to 80% in energy costs.

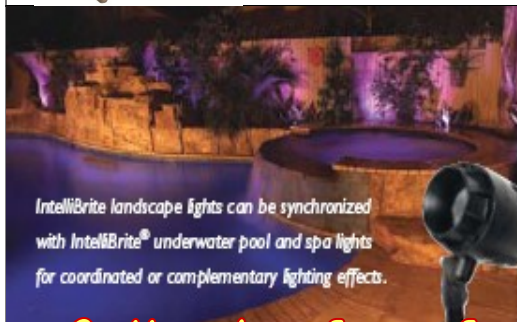

IntelliBrite® Landscape Lights

Simply the most dramatic lighting option available!

Showcase your landscape with captivating color and animated light shows.

IntelliBrite® color-changing LED landscape lights are the exclusive way to add a variety of colored lighting effects to your backyard retreat.

IntelliBrite landscape lights can be synchronized with IntelliBrite® underwater pool and spa lights for coordinated or complementary lighting effects.

EASY TOUCH® CONTROL SYSTEM

The Easy Touch® control system offers a new level of control for homeowner's looking for an affordable, easy to use pool/spa control system. Easy Touch® allows full control of all pool/spa features including advanced features such as colored lighting and IntelliChlor® chlorine generator support. Every system includes an easy to use control panel built into the outdoor enclosure. All functions are controlled with easy, one-button access from the self-contained load center or optional controllers. No need to memorize operating sequences, open and close valves, or reset time clocks and thermostats.
