Summer **JUNE** 2011

Here Comes The Sun!

Florida Pool Service is rewarding you for your loyalty. We will credit your account \$20.00 for each friend or family member you refer to Florida Pool Service. The more friends or family you refer, the more credits you receive towards your account.

UltraTemp® High Performance Heat

Eco-friendly, energy-efficient heating option. Transfer heat from the atmosphere to the pool or spa. Save up to 80% in energy costs.

UPDATE

Monthly maintenance terms: Net 25

Service invoices: Net 10

Finance Charges: 1.5% applied to all past due invoices.

IntelliBrite landscape lights can be synchronized with IntelliBrite® underwater pool and spa lights for coordinated or complementary lighting effects.

IntelliBrite® Landscape Lights

Simply the most dramatic lighting option available!

Showcase your landscape with captivating color and animated light shows. IntelliBrite® color-changing LED landscape lights are the exclusive way to add a variety of colored lighting effects to your backyard retreat.

Call today for a free demo at your house!

EASY TOUCH® CONTROL SYSTEM

The Easy Touch® control system offers a new level of control for homeowner's looking for an affordable, easy to use pool/spa control system. Easy Touch® allows full control of all pool/spa features including advanced features such as colored lighting and IntelliChlor® chlorine generator support. Every system includes an easy to use control panel built into the outdoor enclosure. All functions are controlled with easy, one-button access from the self-contained load center or optional controllers. No need to memorize operating sequences, open and close valves, or reset time clocks and thermostats.

Leak Detection

For all pools, spas and fountains.

We use the most advanced leak detection technology.
